PLANS AND POLICY MEMORANDUM NO. 2

20 September 1948

SUBJECT: Our Most Pressing Problems

1. In order that Plans and Policy Staff may consider and systematically dispose of organizational, operational, and procedural problems which tend to impair the fulfillment of the ORE mission, it has been decided to define and inventory such problems.

2. Accordingly, it is requested that you submit a statement of problems to this office by 1200 hours, 24 September 1948.

3. Such statements should contain a clear and concise statement of the problem listed under one of the following categories :

- (a) internal ORE problems
- (b) ORE problems related to other CIA offices
- (c) ORE problems related to the IAC agencies.

Note: In each of the above instances, these problems should be discussed in terms of their organizational, operational or procedural nature.
